

Tuition

- Tuition is a course fee, broken down and paid by month.
- Payments will be collected on the 1st of every month from Registration (registration + September's tuition) through the conclusion of our season in May (Recital Date: May 9 & 10, 2025).

Tuition is payable by DSP Parent Portal (recommended)

Auto-pay can be set up to assist with easy payments.

Other payments throughout the year (i.e. costume, recital fee, etc.) can be made on DSP or the following:

Checks: payable to On Pointe Dance Academy

Venmo: @onpointewarsaw

Cash: placed in a clearly marked envelope and given directly to Miss Kelli

Account Balances

- Any and all payments made to On Pointe will be applied to any unpaid balance prior to ordering apparel or any other non-tuition/non-costume item.
- If tuition is 60 days past due, your child will not be allowed to dance until your balance is paid in full.

Tuition will not be deducted or refunded due to missed classes, vacation, illness, injury, outside activities, withdrawing in the middle of a session, etc. In the event that we are mandated to close due to state guidelines, classes will continue online for the remainder of that month only. Tuition will not be refunded for that month of partial in-person/partial online instruction. If further closure is required (beyond that first month), On Pointe may close, in its sole and absolute discretion (with no virtual classes) until we are able to resume in-person instruction again. Tuition will not be due again until in-person instruction resumes. In the event virtual classes are held, regular Tuition rates will be due.

Costume Payments

Costume deposits are non-refundable or transferable. Costumes are paid with two deposits (and possibly one final payment), as follows:

- \$35.00 per class, per child by October 1st AND
- \$35.00 per class, per child by November 1st.
- These payments can be made on DSP Parent Portal.
- A \$10.00 per month late fee will be applied to any costume deposits not received by the due date.
- If the costume deposits do not cover the total cost of the costume(s), the final balance will be billed and due to the studio in mid-January or early February.
- Costumes will not be ordered for any student who has not paid for their costume in full.
- There will be NO refunds on costume deposits or payments. All costume money is due, even if a student drops a class after costumes have been ordered. In the event that a student drops a class during the process of learning recital routines, it's understood that the student "dropping" will allow a classmate to borrow the costume to fill in for the routine.
