Placement of Students:

Classes are offered to students ages 18 months (turning 2 by December 31st) and up.

All students are placed in classes strictly by age/grade. These placement guidelines are in place for each & every student. We stand firm on our placement philosophy for many different valid reasons...

- In general, children learn developmentally. An age/grade level grouping approach can be the most effective way to teach students at an age appropriate and developmentally appropriate level.
- Our philosophy of teaching & learning is that students learn, develop, & work together best when they are grouped with their same age peers. Within each age/grade level of dancers. We do recognize and respond to specific needs among learners.
- On Pointe takes a differentiated approach to teaching. We individualize instruction and set goals to meet individual needs and abilities. We observe and understand differences and similarities among dancers and use this information to tailor instruction to help each dancer grow to their best potential.

If a dancer requests to dance with another dancer for individual reasons (such as wanting to dance with a friend or sibling or for carpool reasons) but both dancers are assigned to different levels, then the older/more advanced dancer will be assigned to dance at the level with the younger/less advanced dancer.

If a child's assigned class (according to age/grade level) doesn't fit personal scheduling needs, then that dancer will be placed one level below the assigned class level.

Please note: The way we group grades/levels could change each season depending on different variables (ex: # of students per grade). On Pointe reserves the right to cap off classes or shift/balance the number of students within classes to best suit the needs of the dancers. Larger classes may be split into 2 groups.

Tiny Twirlers (18 months-3 years old)

A fun and playful introduction to dance that incorporates basic movement, the development of gross motor skills, and the coordination between sound and movement through interactive dance games and songs.

Mini Movers (4 years old)

Ballet: A beginner level of basic dance movement and foundational ballet skills. This class is designed to encourage rhythm, coordination, and creative dance.

Level K/1 (Grades Kindergarten & 1st Grade)

Ballet - An introduction to ballet, developing foundational balance, technique, and general dancing skills.

Hip Hop - An introduction to hip hop, developing rhythm and isolation of movements.

Tap (Grades UPK-12)

The development of internal rhythm through foundational tap skills. Students will need specific tap shoes as they gain awareness of musical beat and rhythm through tap.

Ballet (Grades 2-12)

Ballet is the technical foundation on which all other dance forms are based. Proper body placement and alignment, as well as fundamental motions such as turns, jumps, leaps, and extensions are emphasized. Ballet develops good body structure, awareness, placement, and technique. Through this class, forms of modern, lyrical, and contemporary will also be taught.

Hip Hop (Grades 2-12)

In Hip Hop, students will learn the dance forms of jazz, hip hop, and musical theater. This class will include vigorous wide ranges of high beat, expressive movement with a focus on leaps, turns, and body isolations.

Broadway (Grades UPK-12)

Broadway is a wonderful way of combining dance with acting. Students will learn ways to express emotions through movement and lip-syncing. Ultimately, this class will support drama club aspirations.

Costume Payments

Costume deposits are non-refundable or transferable. Costumes are paid with two deposits (and possibly one final payment), as follows:

- \$35.00 per class, per child by October 1st AND
- \$35.00 per class, per child by November 1st.
- These payments can be made on DSP Parent Portal.
- A \$10.00 per month late fee will be applied to any costume deposits not received by the due date.
- If the costume deposits do not cover the total cost of the costume(s), the final balance will be billed and due to the studio in mid-January or early February.
- Costumes will not be ordered for any student who has not paid for their costume in full.
- There will be NO refunds on costume deposits or payments. All costume money is due, even if a student drops a class after costumes have been ordered. In the event that a student drops a class during the process of learning recital routines, it's understood that the student "dropping" will allow a classmate to borrow the costume to fill in for the routine.

IMPORTANT COSTUME POLICY: Please be aware that traditional costumes will be ordered in November with intentions of a spring dance recital. However, if there is a change in the state mandates that prevents us from putting on a recital, the costumes will be yours to keep with no refunds or exchanges.

Tights for Recital: All students will be required to wear tan tights under their costume. These tights can be convertible or footed. Suggested Amazon links available on the studio website.

Dance Attire & Shoe Type:

- Dancers should wear proper dance attire for all classes. Proper attire consists of any color tights, any color leotard, and hair pulled back away from the face. Fitted top layers of dance approved clothing are acceptable (Ex: fitted tanks, fitted dance shorts, yoga pants, dance skirts, etc.). Please no jewelry or baggy clothing. Attire for boys is fitted gym clothes.
- Our website has hyperlinks to Amazon's leotards, tights, and shoes. You can also visit "The Dancing Place" in Batavia or Bailey's Slipper Shop in Orchard Park, Williamsville, or Rochester.

Ballet, HipHop, Broadway (grades UPK-12)	Tan Slip On Jazz Shoes
Tap	Black Buckle Tap Shoes

Fundraising:

- We will be hosting a fundraiser to assist with costume costs. Information is available at registration or at the first dance class of Fall.
- If a dancer has a fundraising credit that exceeds their account balance due for costumes, the rest will go towards our scholarship fund and will not be returned in cash or credited.

Recital:

- Each dance season culminates with a recital performance (most likely & preferably in May, however potentially in early June). It is our hope that we are able to put on a spring recital performance, however, if there is a change in the state mandates, we may have to explore other options for a culminating year-end event (i.e. small showcases, virtual recital).
- The goal of our culminating recital is to give the students an opportunity to take pride in their hard work and accomplishments.
- Detailed recital information...including dates, times, location, recital tickets, recital fee, performance schedules, rehearsal outlines, hair & make-up requirements, pictures, convenience orders (such as videos) will be provided at a later date. Recitals and associated rehearsal dates and times are set at the discretion of the studio owners and are dictated by many factors that include but are not limited to availability of venues.
- Additional nominal recital costs may include specific tights, accessories, props, &/or costume alterations.

Communication & On Pointe News

- On Pointe posts all important information and news throughout the season on Dance Studio Pro (DSP).
- Monthly Newsletters are posted on DSP (hard copies are available in the waiting room or upon request).
- It is the responsibility of the parents/guardians to check for news, updates, important info, and dates. On Pointe will use DSP for studio wide and grade/age level news, reminders, announcements, videos, important dates, etc.
- Registered dance families can download the DSP Parent Portal app (free) at the time of registration.

Cell Phones

- It is On Pointe policy to have all students and staff members silence or turn off their cell phones while instructional classes are being conducted. Students are asked to leave cell phones in their bags in the waiting room (or leave them home). There is a studio phone that can be used in case of an emergency at (585) 993-3788. Please encourage your child to not use their phone for texting or calls during class time. Cell phone use is allowed in the waiting room.

Holidays

- The Studio is closed for the following holidays ONLY: Halloween (only if it falls on a M-F weekday – we will not close for Halloween if it falls on a Saturday), Thanksgiving (Closed Thanksgiving week), Christmas (Closed 2 complete weeks, so each day of the dance week gets 2 days off), & Spring Break (Closed 1 complete week, so each day of the dance week gets 1 day off). The exact dates for holiday closings will be communicated in the monthly newsletters.

Studio Closings

- Studio closings, cancellations, and delays (due to inclement weather or other circumstances) will follow Warsaw Central School District closings.
- Each day of the week is allowed one snow/weather day, without a make-up. If a day of the week has more than one snow/weather day, On Pointe may provide an option for a make-up.
